More than 325,000 West Virginia seniors are now receiving prescription drug benefits...

(Source: www.cms.hhs.gov)

...but Alan Mollohan voted to deny seniors this new prescription drug benefit.

A large, stylized 'Rx' symbol in a serif font, positioned in the top left corner of the image. The background of the entire image is a collage of US dollar bills and several white, oval-shaped pills.

Alan Mollohan voted AGAINST giving seniors affordable prescription drug coverage.

In the midst of skyrocketing prescription drug costs, Congress created the first prescription drug benefit for seniors in Medicare history — increasing coverage in West Virginia by 62%.
